August 2011

2011 marks Greenside's 50th Anniversary. We are exploring fundraising initiatives in commemoration of our 50th Anniversary. We thought that a relatively simple way to raise funds which could then be earmarked for a 50th year project, would be to ask alumni for donations in multiples of R50-00; fifty obviously being the minimum!

If you are in a position to donate a significant amount, bear in mind that money donated to an educational fund administered by the Governing Body of a school qualifies for a tax deduction in terms of section 18(A) of the Income Tax Act No. 58 of 1962. Schools are registered by SARS as Public Benefit Organisations with reference number 930000372.

We would really appreciate it if you could consider making a donation: any donation can make a difference, no matter the amount.

Yours sincerely,

NH WHYTE
Principal

Chairperson: Governing Body
