Dear Parents,

## Re: STATIONERY REQUIREMENTS FOR 2018

Please find attached the list of stationery requirements for 2018.

Please note that you may have already bought certain items in previous years and they may still be in good enough condition to be re-used, which will avoid having to buy them this year.

Please have your child check his/her current stock against the list and decide what you need to buy for 2018, e.g. if you have already bought a dictionary or a calculator in Grade 8 it is not necessary for you to purchase another.

Please note that the stationery can be purchased from any store of your choice.

Where subjects require a ream of paper, it can be any brand of 80g white paper.

Yours sincerely,

NH WHYTE  
Principal
