# WHY GREENSIDE HIGH IS THE SCHOOL FOR YOU!

1. Acknowledged as one of the top government schools in the country, and accredited as one of the top feeder schools to reputable tertiary institutions. Learners graduate and go on to excel in various fields.
2. An outstanding academic record that rivals even the best private schools, at a fraction of the cost.
3. Our students have represented a variety of sports outside of school at national level, including (most recently) karate, judo and sailing. They are acknowledged for such achievements at our awards evenings and assemblies.
4. A culture where Academic Achievement = 'Cool'.
5. Successful intervention programmes and extra lessons for all subjects at no extra cost to your family.
6. We offer Advanced Programme English and Advanced Programme Mathematics as examined by the IEB. This is also made available at no cost to your family.
7. Greenside offers a wide range of subject choices not available at most other schools: Electrical Technology, Computer Applications Technology, Dramatic Arts, Visual Arts, Information Technology, Engineering Graphics and Design, Business Studies, and Consumer Studies.
8. At Greenside High, you are encouraged to be an individual.
9. We proudly embrace co-education and cultural diversity. Our learners are prepared for the real world.
10. Envious record in the cultural arena, winning many accolades in the GRADS, FEDA and EADS Plays Festivals, and placing in the top five High Schools in the National Eisteddfod Academy Festival.
11. Cultural activities include, amongst many others, Eisteddfod, theatre productions, plays festivals, physical theatre, hip hop dance crews, traditional dance, debating, public speaking, art club and choir.
12. Learners are spoilt for choice when it comes to sporting activities: chess, touch rugby, basketball, hockey, tennis, athletics, squash, cross country, swimming, soccer (all for boys and girls), netball, cricket, and rugby.
13. Recognition – not just of top achievers, but of all learners whose contribution is significant and consistent. For example, a learner can earn Full Colours for Service to the school.
14. Greenside has a happy, welcoming vibe, and respectful and caring relationships exist across all age groups.
15. There is zero tolerance for bullying and ill-discipline.
16. Orientation Week for Grade 8 is all about familiarisation and integration, not initiation.
17. Nurturing and highly competent teachers.
18. An experienced and involved School Governing Body deals with change and challenges and ensures that policies and finances are managed soundly.
19. We have a wealth of facilities for extra and co-curricular activities: A 3D printer, a technology centre, 2 computer laboratories, a 16-lane pool, 9 cricket nets, 6 multi-purpose courts, 2 cricket pitches, a hockey field, and 2 rugby fields.
20. Education extends beyond the classroom with a range of co-curricular opportunities – just one example is robotics in which we have excelled: Our two robotics teams placed 12th and 16th in the 2017 World Robotics Olympiad in Costa Rica!

## JOHANNESBURG NORTH DISTRICT AWARDS 2021

**Terique Carim:** Awarded top achieving learner for English Home Language with 89 percent.

**Muhammad Goolam:** Awarded the accolade of top achiever overall in the Johannesburg North District as well as top achieving learner for Life Sciences with 96 percent, Physical Sciences 99 percent and Mathematics: a staggering 100 percent.

**Raza Jawaid Muhammad:** brought Greenside further glory by being placed in the top 10 learners in the district.

GREENSIDE HIGH SCHOOL, ONCE AGAIN, PLACED IN THE TOP 10 PERFORMING SCHOOLS IN THE JOHANNESBURG NORTH DISTRICT.
