In February this year, the Greenside High School community received the welcome news that Mr Strauss has been appointed our new Principal. Ms Whyte's act was a hard one to follow, but there can be no more suitable successor than Mr Strauss, who patently shares her integrity as well as her passion for the precious cargo of Greenside High School – the learners. Mr Strauss is a consistently visible leader whose vibrant and enthusiastic presence makes him a role model for learners and staff.

Mr Strauss is a charismatic and natural leader. In 2017, he was promoted to Deputy Principal with one of his key responsibilities being Grade 8 Specialist. In ferrying the Grade 8s from primary to high school and ensuring their smooth transition into the Greenside family, his devotion yielded a culture of security, consistency, discipline and school pride.

Mr Strauss is passionate about self-development and learning everything one can to actualise one's potential. He drives himself hard and delivers quality results in whatever tasks are assigned to him. This belief in the power of the individual to learn and grow has served as an inspiration to the young leaders whom he mentors.

We hope that knowing that your child is in the care of a Principal with such high standards will help in your decision to join the Greenside High School Family.
